Fun Palace?

where everyone's an artist and everyone's a scientist.

FUN PALACE

A DAY OF ART AND SCIENCE

Fun Palace at State Library

2015 Event key points

- Over 1300 participants
- Budget for event \$10,000
- \$3,000 marketing budget with \$12,000 free media
- 18 individual activities
- Strong visitor engagement
- Take away products for participants
- No community run programming (that didn't \$\$\$\$)

2016

- 1000-1500 participants
- Focus on families in particular 8-12yr old
- Participants to engage in a fun day of activities and exploration for free
- Budget for event \$10,000 including \$3,000 for marketing
- Take away products for participants
- Community run programming
- Other organisations across the state participate

2016

We want our Fun Palace to focus on *public engagement and community partnerships around the theme of the global event Fun Palace, with a particular focus on Science and Art*
